

## **REEVES CHRISTMAS MESSAGE**

As 2017 slows to a close it gives me the opportunity to reflect on my 7<sup>th</sup> year since being inaugurated in 2010. Since that time, I have had the privilege of meeting many residents and have been so impressed by the number of hardworking and dedicated individuals in our community and of the time given freely for a wide range of fundraising and social activities.

2017 was a year of many accomplishments. To name just a few:

June Caldwood Volunteer of the Year Award was presented to Marilyn White, to celebrate Canada's 150 birthday- a Fireworks display and BBQ on July 1<sup>st</sup> was held at Foster Lake and in December the first Community Christmas dinner. Together, as a shared community we have accomplished more than ever before.

So, as we celebrate this holiday season with family and friends, let us be thankful and count our blessings. The greatest gift we could exchange this season is to serve one another. Remember your neighbours, especially the elderly and those who live alone. I offer my prayers for a speedy recovery to those who are sick at home or in hospital this holiday season.

On behalf of my colleagues on Council, I wish you and your families a very Merry Christmas filled with health and happiness. We look forward with anticipation to working together for another great year in 2018.
